

Treasured Memories Campaign

The LLOST Treasured Memories Campaign was created to support families who have lost a child during pregnancy or shortly after birth. Established a year ago, LLOST has already made donations to 7 hospitals' Perinatal Bereavement programs, making it possible for many families to forever treasure tangible memories of the children they have lost.

All proceeds from the Walk will go toward supporting this campaign.

We would like to thank everyone that helped make this event a success, including the following sponsors:
